## PHYSICS AND MATHEMATICS UNDERGRADUATE

Motivated and hard-working undergraduate student at Utrecht University. I have experience working as a HEMA warehouse worker as well as a sales intern for Praus Consulting. Great at working in teams in various industries (academic and applied), and excellent at managing customer interactions through my sales experience. Eager to gain more experience in part-time roles during my undergraduate studies!

## KEY COMPETENCIES

Consistency	Great at Building Relationships	Hard-Working/Motivated
Time Management	Fluent in English/Spanish	Ability to Lead Group Projects
Working in Diverse Teams	Organized and Timely Worker	Quick Learner

## EDUCATION & CERTIFICATIONS

<b>Mathematics and Physics Double Degree (BSc)</b> Currently ongoing at Utrecht University	<b>2021 - 2025</b>
<b>International Baccalaureate</b> From the International School of Kuala Lumpur	<b>2017 - 2021</b>

## WORK EXPERIENCE

<b>Intern at Praus Consulting</b>	<b>April 2024 - July 2024</b>
-----------------------------------	-------------------------------

Worked in the sales department of the start-up Praus Consulting. Helped reach new customers by LinkedIn outreach, crafting campaigns for client outreach, and taking sales meetings with potential clients. Worked remotely and primarily with sales to start-up tech companies in the US.

<b>HEMA Warehouse Worker</b>	<b>October 2022 - November 2022</b>
------------------------------	-------------------------------------

Worked part time at HEMA Warehouse in Utrecht. Experience meeting work quotas for scanning items, and working shifts on the weekends. Helped work with an international team to meet customer orders for HEMA.
